Touch in a dream

Oh, a robber...

...

Good ni...

I wouldn't exactly call someone picking a glass of milk off the ground a robber.

Hrmpf.

I sweh-eaaar, gnah!

I'll put it on the table, you hear me?

Heheh...

Thank you.

Goodnight.

Sorry for waking you up.

I dreamt I was touching your hair.

How was it?

Oh... The thing is...

I don't let just anyone touch my hair...

I forgot...

Well...

Are you dreaming?

No, no.

Am I boring you?

No.

I don't know what dreaming is like for others, but...

In my dreams, I focus on hearing things...

I touch things, too...

That's interesting. Go on.

I think the room's light was on.

Everything was so bright...

I thought you'd forgotten?

Alright, well... it came back to me!

I was sitting...

...in a car...

There was a breeze...

The window was open.

Because I was touching your hair.

Even without that burning smell...

You were the one driving.

I didn't need to **see** you.

I just knew.

It was just like this in my dream too.

Yes, yes...

Ah, that's good.
Well, time to continue my walk.
Good-night.
